### REGISTER 1957-

- Indicate that a picture of the aircraft is available in the PICTURE ALBUM (frame above)

**BOLD PRINT** indicate that aircraft was believed to be current at update date

**This Register was last updated on 18/05/2012**

In order to facilitate looking for updates, new entries and pictures which have been added in the last two calendar months are highlighted in **yellow** in the register.

Corrections and cancellations for the last two calendar months (faulty or misinformation or me being too fast ☹) are highlighted in **green**.

New updates with update date are shown below:
